

## Level 1 Unit 16 *Curious Beetles*

### A. Listening

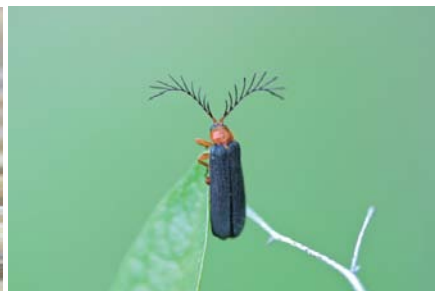

- Listen and fill in the blanks to finish part of the story.

#### <Word box>

sizes   scares   burn   secret   shell   squirt   notice   amazing

Have you ever seen a beetle? What did you notice about this insect? Did it have wings? Did it have a hard shell? Beetles come in many interesting shapes and sizes. Some beetles can also do some amazing things. Let's find out more!

The bombardier beetle has a secret weapon! This beetle scares its enemies by squirting chemicals into the air from its rear end. The chemicals are extremely hot and can burn the beetle's enemies. The chemicals also smell bad. This keeps the bombardier beetle safe!

### B. Vocabulary

- Circle the word that makes more sense in the sentence.

- Did you size / notice the big new house on our street?
- The bathrooms are in the rear / secret part of the airplane.
- This toy mate / appears to be broken.
- Don't burn / glow the meat.
- It's too glow / dark, I can't see!
- Give off / In order to be strong, you must eat healthy and exercise.
