

## Level 1 Unit 15 Jane Goodall

### A. Listening

- Listen and fill in the blanks to finish part of the story.

#### <Word box>

your studying chimpanzee watching animal youngster scientist favorite

What's your favorite animal? Jane Goodall has a favorite animal.  
It is the chimpanzee. Have you heard of Jane Goodall? She is famous for studying chimpanzees. She's been watching chimpanzees in Africa for many years.

Jane Goodall was born in London in 1934. As a youngster, Jane received a toy chimpanzee from her father. The toy chimpanzee made Jane interested in animals. Around the age of 10, Jane dreamed of living in Africa with all the animals.
