[Track B1F2]

I was so excited. Last winter, we won a trip. We went skiing in Canada. Skiing is my favourite winter sport. It wasn't easy to get to Canada, however. There was a big snow storm. The airport in Canada was closed.

We had to wait at the airport overnight. I felt worried. I thought we wouldn't be able to fly. The airport was crowded. Many people were waiting to fly. There was nowhere to sit. We couldn't sleep. Finally, the plane was cleared to fly. We were so happy to get to Canada. But we were so tired. We slept for the whole first day. But then, we had the best skiing trip ever!
