_____.

11.

She is dressed like a _____ (witch/onion) for the party.

_____.

▪ **Read the passage. Then choose the correct answer.**

[12-15]

Glass bottles can make music. Blow across the top of a bottle. The air inside moves, and it makes a note.

A song is made from many notes. So to play a song, you need many bottles. Put different amounts of water in each bottle. Each bottle has a different amount of air.

Bottles with more air make lower notes. Bottles with less air make higher notes. Now you can play a song!

12. Glass bottles can make music.

☐

Yes

☐

No

13. You need one bottle to play a song.

☐

Yes

☐

No

14. The bottles have different _____ of water and air inside.
