M: Yeah, that's a good idea. What would you like on it?

W: Mushrooms and green peppers. How much cola is there in the fridge?

M: Not much. I'll order drinks, too. And Mum asked us to do some chores. We need to take out the rubbish and clean the bathroom. And we need to dust the living room.

W: I'll do the dusting—that's my favourite. You can clean the bathroom and take out the rubbish.

M: So, I'm doing two chores, and you're only doing one?

W: Well, you can have an extra slice of pizza.

**[Track 09-08]**

W: Hi! I'm Sarah. Last weekend, I went to the zoo and a café. I went with my best friend, Michelle.

We went to the zoo early in the morning. We looked around the zoo from 9.00 a.m. to 3.00 p.m.

We were so tired. We went to a café after. The café was close to the zoo. It was very nice. We

stayed there for almost 2 hours. I didn't get home until dinner time.

**[Track 10-01]**

M: Hey Jane! You're awake!

W: Hi, Dan.

M: What time is it in New York right now?

W: Ermm. It's 5.30 in the morning!

M: Oh, sorry! Anyway, how's the weather there?

W: It's very windy. How about London?

M: It's really nice and sunny.

W: Really? I'm surprised to hear that.

M: Yeah, it doesn't happen a lot. How's the weather in Shanghai? Your sister's working there, right?

W: It's really chilly. But my sister likes the cold.

### **[Track 10-02]**

Number 1

W: Ah! I can't believe it's raining. The weather forecast said it was going to be sunny!

Number 2

M: It was cold this morning. But, I think the temperature will be nice in the afternoon.

Number 3

W: Wear a warm jacket! It's going to be minus 10 degrees today!

Number 4

M: It's 2 degrees Celsius right now, but it will go up around 2.00.

Number 5

W: Hurry home! There's a storm coming. It's supposed to rain a lot!

### **[Track 10-03]**

W: Number 1

M: Welcome back. Today's weather is going to stay cold. The temperature will be about 4 degrees Celsius in the morning and it will warm up to about 13 degrees Celsius by the afternoon. It will be cloudy all day today, though, with a small chance of rain.

Number 2

W: It's a beautiful day today! After all the rain from last week, the temperature is finally starting to rise. The weather is a nice and warm 22 degrees Celsius today. It's a little windy by the beach, but for most of you listeners, it's going to be a great day.

Number 3

M: Put on your rain boots. It's going to be a long day. A storm came in last night and it's going to pour with rain for the entire day. Dress warmly. The temperature is expected to go down in the evening to about 2 degrees Celsius.

### **[Track 10-04]**

Number 1.

W: Hi, Oliver.

M: Hey! How have you been, Gina?

W: Not great. The weather's been really chilly. And rainy...

M: I know. It's minus 15 degrees Celsius.

W: I hope it gets warmer soon. I really hate the cold.

Number 2.

M: Chiyo! Remember to take your sunglasses!

W: Oh, right. Thanks! I almost forgot how sunny it is outside. The weather forecast says it'll be 20 degrees Celsius this afternoon!

M: No kidding. And it happened so suddenly, too.

W: You're right. It was really cold just a few days ago.

Number 3.

W: Honey! You should wear your coat. It's cold outside.

M: But, Mum! I don't want to wear my coat! It was warm yesterday!

W: Well, it's chilly today. The temperature will go down to minus 7 degrees Celsius.

M: Fine. I'll wear it. Where's my coat?

#### **[Track R5-01]**

Number 1.

W: I think autumn is the best season. It's my favourite because I hate hot weather. I love the chilly autumn air and the beautiful colours of the leaves. Also, Halloween is on 31<sup>st</sup> October, and that's my favourite holiday. Last Halloween I had a big party at my house. I'm going to have another big party this year.

Number 2.

M: The most fun season is winter. Three years ago, my family moved to a town near some mountains. I love to go skiing and snowboarding at the weekend. When the weather gets snowy, I always feel happy and excited.

Number 3.

W: My favourite season is summer, for sure. I love the hot, sunny weather and all the free time. Last August, I went to the beach with my friends every day. We played volleyball and learned how to surf. It was so much fun. When summer ended and the weather got cooler, I felt really sad.

Number 4.

M: Spring is my favourite season. And that's because winter is my least favourite season! Cold weather is so uncomfortable, and it's bad for you. Last winter I got really sick in January. I was in bed for ten days! When the temperature starts to get warm and the flowers start to bloom, I feel a lot better.
