Dear Mrs. Webster,  
 I'm writing to you to say thank you for being such a great teacher.  
 Before I took your class, I didn't like math at all. I found it too 1. difficult, and I was frustrated with my lack of progress. I also found it very 2. not interesting. Your classes, however, helped me understand numbers better and taught me that math can be fun! I 3. deeply appreciate your help. You took the extra time to sit with me and 4. give information about things that didn't make sense. I also appreciate your patience. You didn't get 5. annoyed with me when I didn't understand something. And I'll always remember my times tables thanks to your funny song!  
 Thank you so much for everything which you have done for me and for our whole class. I will miss your class a lot next year. I hope my next math teacher is as nice as you.  
 Yours sincerely,  
 Michael Tracey
