My Future

by Jason Black

Last night, I couldn't sleep, so I was thinking about my future. Where will I be in fifteen years? I'll be an adult, and I hope I'll be married. I also hope to have five children: three girls and two boys. My kids will like to play sports. My favorite sport is baseball, so I hope my kids will like it too. They'll play, and I'll be their coach. And I love cooking, so my wife, kids, and I will cook many meals together.

When I'm an adult, I'll spend a lot of time with my family, but I'll work hard too. I want to be a pilot because I love flying, and I love traveling. My wife will have an interesting career, too. Maybe she'll be a doctor or a dentist. We'll make a lot of money at our jobs! I enjoy thinking about the future.
