24. always / Paula / mood / in a / good / is

3. Reading

[25~30] Read the passage. Then read the statements and circle true or false.

My Best Vacation

by Lily Jong

My favorite vacation was last summer. I visited my aunt and uncle in California for two months. They live near the ocean. At first, I loved the nice weather and being by the water. But soon I felt bored. I love my aunt and uncle, but they were usually busy with work. So I was often alone.

One Saturday morning, my uncle made a suggestion. "Why don't you learn how to surf? I could teach you," he said. And he gave me a beautiful new red surfboard! I loved it. I was so excited.

My uncle was a great coach. Surfing isn't easy, so we practiced a lot. After two days, I was able to stand up on my surfboard. After that, I practiced on my own. It was warm and sunny every day, so I went surfing almost every day. My uncle said I was better than him! I'm looking forward to my next trip to California.
